Traveling to Las Vegas

Numerous airlines fly into Las Vegas' [McCarran International Airport](#) from most major US cities, and many international points of departure. See <http://www.mccarran.com/> for flights. We recommend that you do not make your air travel reservations until you have been assured by TTI that the course will proceed as scheduled. Please contact TTI before making your reservations, and do not book non-refundable tickets.

Driving Instructions

If driving into Las Vegas, exit Interstate 15 at Russell Road. Turn west onto Russell Road, then left onto Polaris Ave. Travel south to W. Oquendo Rd, then turn right. 3471 W. Oquendo is on the left (south) side of the street. If driving from McCarran Airport, take Paradise Road/McCarran Airport Connector southwest to Highway 215. Take 215 West and then exit for Interstate 15 north. Follow the signs for Russell Road. Follow the above directions to TTI.

Accommodations

You will need to arrange your own accommodations. Casino hotels sometimes offer value-priced rooms, but you also may encounter long lines at check-in. For those who prefer non-gaming hotels, there are several nearby hotels. See [map](#) and [list of hotels](#).

Preparation

If you have any specifications or procedures relating to your current project, please bring them along to class. Bring your calculator with you, along with specifics of any related problems that may be causing you concern. Also, any manuals or sales literature for test equipment you want to discuss or are considering purchasing.

Course Textbook

Each attendee will receive a copy of the course textbook, which contains copies of all the material displayed during the class, along with additional material for future study and reference. You should write notes concerning questions and comments by the instructor or other classmates and review your notes each evening. If in doubt about some topic, ask your instructor the next morning.

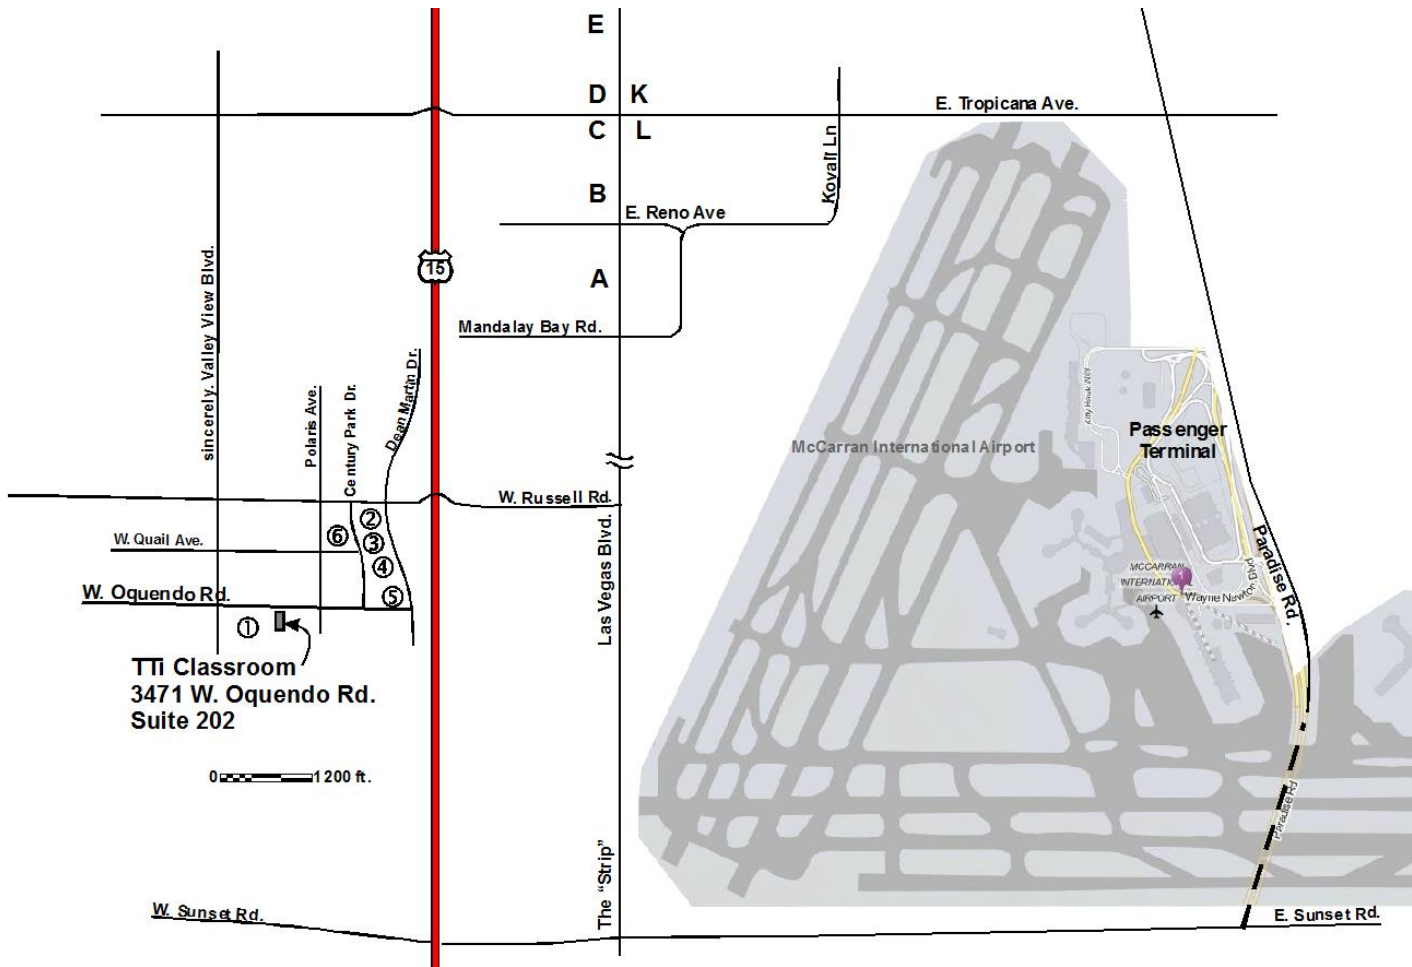

Return Travel

We cover a semester's worth of material in our classes. Please make every effort not to cut short your attendance on the last day. To receive your certificate, make your travel reservations based on leaving class no earlier than 4:00 pm on the final day of your course. Your flight departing from Las Vegas should be no earlier than 6:00 pm on the final day.

General Information

Classroom attire is informal; for your comfort, please bring a jacket or sweater to class with you. The most affordable travel along the famous Las Vegas Strip is via [The Deuce](#) bus line.

We look forward to meeting you!
